

Account Access Authorization

Client hereby approves and authorizes any and all utilities or companies that provide electricity, gas, telecom and merchant services ("Service Providers") to release any and all information regarding any of Client's accounts or other relationships with Service Provider to Utility Advocate, LLC on behalf of client. Client also authorizes and appoints Utility Advocate, LLC as Client's agent to access, request and receive general billing, past billing history, consumption, pricing data and any relevant information pertaining to electricity, gas, telecom and merchant service accounts with service provider. Client further authorizes Utility Advocate to utilize this Account Access Authorization and add Client letterhead if required by the service providers. This Authorization will remain in effect from the date indicated below, until such time as Client provides a written revocation of this Authorization to the Service Provider.
